PROJECT SUMMARY

In the space below, provide a one-paragraph (150 words or less) summary of your request and what it will accomplish. If your request is part of a larger project, you may briefly describe the over-all project. However, please focus your answer on the specific element for which you are requesting funding.

SCOPE OF WORK

Fully describe the project. Expand your project summary to address such issues as: what it is you plan to do; the tangible and intangible benefits to the community; visitor impact; how will you evaluate project success; would this project take place without TPA assistance; what methods have you used to project the overnight figures; additionally what methods will you use to report on overnight claims after the fact? If you are requesting funds for a specific portion of a larger project, please so state, but focus your response on the element for which you are requesting funding. The scope should be under 1,000 words. Be brief and brilliant but include any supplemental materials as attachments if needed.
